Real Deal for Triton Timeshare Software
Award Winning Software Company Signs RAL Properties

SARASOTA, FL (February 27, 2010)—Triton Timeshare Software, a Sarasota-based technology solutions provider, has announced that RAL Resort Property Management, Inc. a family owned and operated independent management company located in Fort Myers, Florida has signed on to use Triton's Property Management System for its six resorts. Specializing in sales and rentals on Fort Myers Beach, and Sanibel Island, RAL Resort Property Management, Inc. provides service to the owners, renters, and exchangers on a personalized basis.

Triton's integrated software suite will be used at RAL's managed properties Estero Island Beach Club, Tropical Sands Resort, Island Tower Resort and Sales & Rentals Kahlua Beach Club (Ft. Meyers, FL), Surfrider Beach Club (Sanibel Island) and Petit Crest Villas (Big Canoe, GA).

"Triton lived up to its promise of timely installation," says John Shaw, CEO of Resort Operations for RAL. "We were up and running, faster than ever and all data conversions were smooth and easy. Our next move with Triton is to work with them on implementing the online rental and sales component of their software."

According to Delaina Probus-Staley, President of Triton, "we find that we're developing a reputation for speed and efficiency in implementing our software systems, no matter the size of the organization. That being said, our reporting abilities are what keep our clients particularly happy. We run the gamut from online and Palm/Pocket PC Reporting to simple reporting tools with Excel Integration. Some of our clients demand individual reports and these are easily attainable via our Tracking System."

In addition to property management, Triton Timeshare Software also offers award-winning Sales and Marketing software which includes lead tracking, marketing management, payroll and forecasting tools, to name a few. The company is one of the very few to offer customized Condotel Software as well.

Triton, founded in 1997 under the name Sarasota Software Solutions, is used by such resorts as Tropic Shores, Daytona Bch, FL and The Galleon (Key West), Scottsdale Camelback Resorts (Scottsdale, AZ), Whiski Jack Resorts (Whistler, Canada), Magens Point (St. Thomas) and the Goodmanagement, (New Port News, VA) to name a few. In addition to RAL Resorts, Triton recently signed Emerald Island Condominiums (Hot Springs, AK) and Bayan Resort (Key West). For more information visit the web site at www.timesharesoftware.com.
